Greater Cambridge Local Plan - site information

Dear Parish Councils and Residents Associations,

As you are aware, over 650 sites were submitted to us through the 'Call for Sites' for consideration as part of developing the new Greater Cambridge Local Plan.

The sites submitted are currently being assessed by officers against a rigorous methodology, as part of the Housing and Employment Land Availability Assessment. We gather topical information about the sites from sources including the Environment Agency, Natural England, the local highways authority, the Councils' Environmental Health teams, Historic England and other bodies.

We would now like to give you the opportunity to supplement our information gathering with any knowledge you may hold about any of the submitted sites in your Parish or area covered by your Association.

It is not compulsory in any way to provide this additional information at this point in time and you may wish to wait to read and comment on our assessments at the next stage of plan-making, when we will present our proposed list of sites to take forward through the Local Plan.

Please use the online form at the link below. We are not able to accept information in any other format, as we need to ensure we have consistency across all sites, and can present the survey results alongside the officer assessments in the site assessment report.

This survey is only open to Parish Councils and Residents Associations, and you will need to be a direct recipient of this email to access the link. If you forward the link to a third party it will not allow them access, so if you would like a third party to complete the form on your behalf, please inform us of their email address and we will send them an invitation. Please note that your response will be recorded as the response of your Parish Council or Association, not of the individual who completes the form. For some groups, we have more than one contact email address on file. Please ensure that you coordinate so that only one response is submitted, per site, per Parish Council or Residents Association.

Information you supply will be published in the public domain. Your organisation's name will be published alongside the information, but your contact information will not be disclosed.

Please complete the survey by 5pm, 1 March 2021. If you have any queries, please do not hesitate to contact us at this email address.

Best wishes,

The Greater Cambridge Local Plan team
