

Hi Deb,

Hope you're well.

16 young people from Trumpington Meadows have attended our Youth clubs in the last quarter.

We have also just started providing a new youth club for year 5s and 6s so we are now running 3 open access youth clubs on a Thursday afternoon and evening at the Trumpington Pavilion.

In the Easter holidays we ran two trips. We went to Orbital Trampoline Park in Luton, with 3 attending from Trumpington Meadows. Then we ran a trip to Xtreme 360 in St Neots, of which 3 of them were from Trumpington Meadows. In May half-term we took young people to Ride Leisure Aqua Park in Wyboston in which 2 from TM attended.

One of our Youth Development workers, Paige, has been providing a weekly 1:1 session at Trumpington Meadows Primary. We have supported two year 6 students through this work this quarter.

We held our annual Youth Celebration Night in Cambridge at the end of June. Two Trumpington Meadows young people were selected to receive a certificate at the celebration evening. One received theirs for personal progress / growth in confidence and the other for great sportsmanship at the youth club.

I hope this is OK. Let me know if you would like any more information.

Thank you

Jon

Youth Development Team Coordinator
