

Dear Deb & Ben & the STPM Committee.

I am writing on behalf of the Trumpington Meadows Volunteer Gardening Team, which is organised by Robert Tyers and supported by a dedicated group of volunteers from across the Trumpington Meadows community, including myself.

We would like to formally apply for a further STPM Grant of £300 as the initial £300 grant has now been fully allocated and spent.

With this new funding, we propose to purchase a selection of shrubs and compost to help rejuvenate and enhance the green spaces around Trumpington Meadows by filling in areas where plants have failed or spaces have become sparse. These improvements will help maintain the attractiveness and ecological value of our shared environment.

We are proud of the impact the team has made so far, and with continued support, we are confident we can build on this success for the benefit of all residents.

Thank you for considering our application. Please let us know if any further information or documentation is required prior to the next STPM on July 17th 2025.

Kind regards,

Karen & Robert,
